

Friends of Warren Road

NEWSLETTER – JANUARY 2019

Although we have not published a newsletter for some months, I hope that this flyer will serve as a reminder that the Group is still going strong. You can also find out about us on our website www.warrenroadgreenspace.weebly.com or contact our group secretary, Brian Willson on 01689 857237 or email BrianDWillson@aol.com

LITTER PICKS

Our main activity continues to be our two monthly litter picks which are well supported and a good social occasion finishing with tea or coffee at the Bread and Butter Café in Windsor Drive. Please make a note of the dates for 2019 and help if you can.

Saturday 12th January 2019

Saturday 18th May 2019

Saturday 14th Sept 2019

Saturday 16th March 2019

Saturday 13th July 2019

Saturday 16th Nov 2019

If you would like to send us your email address, or home address, we can let you have further details of each litter pick nearer to each date (or you can look at our notice boards on Warren Road school gate and at the top and bottom of Warren Road).

OTHER ACTIVITIES

Chelsfield Vista. During 2018 and with support from The Chelsfield Village Society, we have rebuilt the viewpoint on Chelsfield Common. You can find more details on our notice boards or our website, but please do go and visit and admire the view.

Bulb Planting. Each year we add to the already extensive collection of spring bulbs that you will see in the woods up and down Warren Road. In 2017 we planted daffodils and crocus at the junction of old and new Warren Roads, and in 2018 we planted further daffodils and bluebells by the railings at Chelsfield Station and at the Chelsfield Vista.

Watching the Road. As local residents we keep an eye on the area and report problems to Bromley Council, Thames Water or the Metropolitan Police, eg fly tipping, damaged footpaths, water leaks and stolen property dumped in our area. For reporting items of concern to Bromley Council the best way is on line at www.bromley.gov.uk/report or telephone them on 020 8464 3333. Please report problems yourself if you see anything wrong.
